MEETING RULES OF PARTICIPATION AND CONDUCT:

All members of the Carrollwood Village Homeowners' Association – Phase I are welcomed and encouraged to attend all meetings of the Board and all Association member meetings, including the Annual and Special Meetings of the Members. The following standards are established and adopted to facilitate the successful participation of the members in the meetings and the efficient conduct of Association business.

There will be a Member Forum at the beginning of each meeting for members of the Association to address the Board as to those items on the meeting agenda. During the remaining business portion of the meeting, those in attendance may listen and observe, but all member participation, including feedback, questions and opinions are limited to the Member Forum.

A sign-up sheet will be available prior to the start of the meeting and all members wishing to speak during the Member Forum must sign up. During member meetings only, members who have not signed up to speak will still be allowed to do so during the Member Forum.

Speakers will be taken in the order in which they have signed up. When called upon, each speaker should begin by stating their name and address.

In order to ensure all members who wish to speak have the ability to do so, member comments will be limited to three (3) minutes per speaker.

Members, including Board Members, should refrain from engaging in confrontational or derogatory conversations with the Board or other homeowners. Differences of opinion, appeals, and complaints should be raised and discussed in a respectful manner. Meeting participant comments need to remain focused on addressing the issue rather than attacking the individual.
